

**Write an algorithm and draw a flowchart to print the table of 5.**

**Algorithm to Print the Table of 5:**

1. **Start.**
2. Initialize  $n=5$  (the number whose table is to be printed).
3. Initialize a counter  $i=1$ .
4. Repeat the following steps until  $i \leq 10$ :
  - Multiply  $n$  by  $i$ .
  - Print the result.
  - Increment  $i$  by 1.
5. **End.**

Flowchart:
